Dear Friends,

Re: Video film on the Opening Keynote Address by Aung San Suu Kyi

Please find enclosed²copy/copies of this video.

Please note that this video can be used widely throughout the Women and Human Rights Campaign. It can be used to mobilize action on behalf of women both as victims and human rights activists. Suggested audience includes, AI membership, the general public and non-governmental organizations.

This video can be shown at internal meetings with the above audience. However, requests to broadcast this film should be directed to the Audiovisual Resources team at the IS.

Yours sincerely,

Samantha Nundy
AV Resources Coordinator
