traffic control

Saigon also starts to march on the way of revolution.

The young in the furtherfront of revolution engaged in  
traffic control and keeping the public order.

Discussion of the young

The South Vietnam is in the start point of quite  
new life for the young who was just on military  
service age at the period of former Saigon regime.

How treat with new order and improvement of life?

How come to be the supporter of driving new society ?

Discussion among them continues endlessly.

Preparation of photos exhibition  
by the young

North Vietnam social system and people's life

History of Vietnamese Revolution, the life of former  
President Ho Chi Minh, History of NFL of The South  
Vietnam, and so on. The young is showing endless  
interests.

These were prohibited to know before liberation.

Sign board of 11th district

Inside of the office

The 11th district Saigon People's Revolutionary  
committee. This district, inhabitants were up in  
concert with the military action of liberation Army  
and got the liberation the earliest time in Saigon,  
and where the the people's revolutionary committee was  
established at the same time.
