

USSR-CHILE, FRIENDSHIP AND COOPERATION

At the Vnukovo Airport Podgorny, Kosygin, Kirilenko, Ponomarev and other officials greeted Salvador Allende Gossens, President of the Republic of Chile, who arrived in Moscow on an official visit at the invitation of the Presidium of the USSR Supreme Soviet and the Soviet Government. The high guest was warmly greeted by representatives of the working people of Moscow. Soviet people know that the Republic of Chile is a state which has stepped on the road of building a new life. They are glad of their achievements in attaining political sovereignty and economical independence. Talks commenced in Kremlin between Brezhnev, General Secretary of the CC of the CPSU, Podgorny, Kosygin, Kirilenko, Ponomarev and Gromyko with the President of the Republic of Chile Salvador Allende Gossens. Issues of the further development of Soviet-Chilean relations were discussed during the talks which were carried out in an atmosphere of friendship and complete mutual understanding. An exchange of viewpoints on a number of vital international problems also took place during the talks.

SNAKES

Iuri Orlov searches in the mountains, far from roads and pedestrian paths. He is fond of his profession of a catcher of snakes and has become an expert in this. He works in the snake nursery which was established on the base of the Forestry of the Turkmen SSR. 20 milligrams of gurza or cobra poison is enough to kill a man. But the same poison is necessary for the production of some medicines. Such a procedure is called "milking". About 200 snakes leave their poison in special cups called "petri". After crystallisation it is ready for shipment to pharmaceutical factories.

CHESS TOURNAMENT

The First All Union Chess Tournament, devoted to the 50th anniversary of the Pioneers' organization, was opened in November in the Central Chess club. The tournament was opened by the Secretary of the CC of the Young Guards organization Arutiunain. Spassky is at the head of the Leningrad team, Smyslov - the Moscow team, Bronshtein - the Kiev team, Tal - the Riga team, Petrosian - the Tbilisi team, Karpov - the Cheliabinsk team. This is a serious game of grandmasters and it is very exciting on the part of pioneers. The main referee is Mikhail Botvinnik. And at last.... the opening!

What thinks the opposition! What is the next move? The famous grandmasters are the rivals of the children, and therefore it demanded much excitement. A grandmaster had to play one time game with the watches on six boards to all the teams, except their own. This result belonged to his team. It was not an easy game for the captains. The children attack courageously, defend with wit. He wanted to win, but failed! But others managed to be ahead. 12 years old Igor Efimov from Tbilisi played with the grandmaster in a draw. A pupil of the seventh grade Senai Dvoiras from Cheliabinsk won in a play with Spassky and played in a draw with Petrosian. Grandmaster Tal was ahead for a long time. But the Moscow schoolboy Serejy Pekker won in a play with him. The main referee Botvinnik spent much time on the analysis of put off parties. The fans were very excited. The result of the tournament is the following: the main prize of the Central Committee of the Komsomol received the team of the Moscow Pioneers' Palace. The second place took the Leningrad team, the third - the Riga team. These children received the prizes for the best individual results. It is very possible that we shall hear about them in future - in 1925 the pioneer Misha Botvinnik won in the game with the world champion Kapablanka.

THE NUREKSK HYDRO ELECTRIC STATION

These shots were covered at the project of the largest in Middle Asia Nureksk Hydro Electric Station on the eve of the starting of the first aggregate. The average annual output of the Nureksk Station will equal 11 billion kw/hours. The waters of Vakhsh River will irrigate thousands of hectares of virgin lands of Tajikistan, Uzbekistan and Turkmenia. The builders of the Nureksk HPS have fulfilled obligations which they had taken for the 50th anniversary of the foundation of the USSR. Rasulbek, First Secretary of the CC of the CP of Tajikistan congratulated the builders, fitters and workers of the station upon great labour accomplishments and wished them further success in strengthening the industrial power of the Republic. The first current from the station. The energy created on the Vakhsh River is carried off to different parts of the country.

CLARMA REVIEW

WORLD MEETING OF WORKING YOUTH

Two hundred and thirty national youth organizations from 113 countries gathered in Moscow at the World Meeting of Working Youth. Boris Ponomarev, Alternate Member of the Politbureau of the CPSU Central Committee, Secretary of the CPSU Central Committee, read out the Message of Leonid Ilyich Brezhnev, General Secretary of the Central Committee of the Communist Party of the USSR. The envoys of labour youth of the planet listened to the Message very attentively. Tyazhelnikov, First Secretary of the YCL Central Committee, gave a report "Soviet Youth is an Active Participant in communist Construction". These meetings help to the youth to work out united tactics of struggle for progress and peace for their rights.
